### **Greetings to the FBI Sacramento Citizens Academy Alumni:**

The FBI Sacramento Citizens Academy Alumni Association would like to thank you for being one of an elite group of graduates of the FBI Sacramento Citizens Academy, whether it be a recent graduate or a veteran alumnus.

Currently, we have over 800 graduates from the Sacramento and Fresno FBI Citizens Academy classes, with our latest Sacramento class (AT HEADQUARTERS!) graduating this month. Slowly, but hopefully steadily, things are normalizing and we, the FBI Sacramento Citizens Academy Alumni Association, are moving forward to strengthen our network and help further our mission to foster a safer community.

Throughout the last 21 months, we have been able to remain engaged with our FBI partners, developing the “Facetime with an Agent” series and virtual quarterly briefings, facilitated by our Community Outreach leader, Shelby Samaniego. “Facetime with an Agent” will be part of the alumni experience and we plan on continuing it into the future. The topics will keep you informed about key areas and provide you with a bit of insider perspective.

We also have plans for other events similar to the “Dinner and Discussion with Law Enforcement”, which was a very successful event held in early March 2020. This event, opened to Citizen Academy Alumni, was dinner, catered by Ettore’s owner, alumni, Lisa Calk, and included a panel of law enforcement representatives in our community answering questions from the alumni. As a result of this fundraiser, the FBI Sacramento Citizens Academy Alumni Association was very proud to be able to provide a scholarship for one cadet through the Sacramento Police Academy and donate to the FBI Agents Association.

We also contribute to the Boys and Girls Clubs, provide materials for the Citizens Academy and Teen Academy classes, and are beginning an Adopt-A-School program.

We continue to remain connected to our alumni through our quarterly newsletter with articles on community events and FBI Sacramento Citizen

Academy Alumni Association involvement. All of this happens through the work of the FBI Sacramento Citizens Academy Alumni Association, a self-supporting, all volunteer 501(c)(3) nonprofit organization formed and managed by Citizen Academy alumni. The board is honored to server our membership and ***we need your help to continue.***

As a graduate of the program, whether in a virtual setting or in person, we hope you had a valuable experience. We hope that you reflect on those unique experiences and support the association by activating a membership or renewing an existing membership to the FBI Sacramento Citizens Academy Alumni Association by **January 31, 2022.**
