Greetings to the FBI Sacramento Citizens Academy Alumni:

The FBI Sacramento Citizens Academy Alumni Association would like to thank you for being one of an elite group of graduates of the FBI Sacramento Citizens Academy, whether it be a recent graduate or a veteran alumnus.

As a graduate of the program, whether in a virtual setting or in person, we hope you had a valuable experience. We hope that you reflect on those unique experiences and support the association by activating a membership or renewing an existing membership to the FBI Sacramento Citizens Academy Alumni Association.

To activate or renew your membership, simply visit fbisacaaa.org/membership

As a note, we will be increasing our membership dues as of January 1, 2023. We will honor the current due rate **if paid prior to January 1, 2023**.

Annual membership dues are **currently \$55 until January 1, 2023, where they will increase to \$75 going forward.**

If you would like to become a Lifetime Member, **the cost will be \$750 until January 1, 2023, where it will increase to \$850 going forward.** Lifetime membership does have some extra perks with the commitment, which include a Lifetime Member pin, an FBISACAAA T-shirt, VIP privileges at select special events and tours, and opportunities to be involved with our community outreach efforts.

You can pay for your membership online (via the above link), or you can print and complete the [2023 Membership Contribution form](#), and mail in the form and your check to the address on the form. (You can find the form on our website under “Membership.”)

We also accept donations outside of the membership fees, if you wish to make any additional contributions. These donations can also be made via the website or you can complete the 2023 Membership Contribution form for an additional contribution with your membership dues, or as a separate contribution.

The FBI Sacramento Citizens Academy Alumni Association has over 800 graduates from the Sacramento, Bakersfield, Chico and Fresno FBI Citizens Academy classes! The last graduating class was the largest yet combining all regions with either in person or virtual attendance.

In 2022, we have remained engaged with our alumni, and with the coordination from Shelby with:

- The “Face Time with an Agent” series
- Virtual quarterly briefings
- ‘In-person’ quarterly briefings this summer:
 - “The FBI’s National Security Mission: Stories from Overseas” with ASAC Guertin.
 - “Gilroy Garlic Festival Shooting” with SA Gimbel.

The FBI Sacramento CAAA is a nonprofit organization separate and apart from the FBI. The FBI Sacramento Citizens Academy Alumni Association (FBISACAAA) is a non-profit, 501(c)(3) organization that supports local, state and federal law enforcement through community engagement, education and outreach. Visit fbisacaaa.org

FBI SACRAMENTO CITIZENS ACADEMY ALUMNI ASSOCIATION

(Both presentations were first-hand accounts of their experiences and incredible, life altering stories.)

- Our quarterly newsletters with articles on community events and the involvement of the FBISACCAA.

Other events held in 2022 were:

- Our first “Lifetime Member Event” in June at FBI Headquarters – thanking alumni who have become Lifetime Members of the FBISACCAA with a special appearance by SAC Ragan.
- The California Capital Airshow on October 2, 2022. We were offered special discounts on premium tickets under a canopy, received a tram tour on the tarmac, and an EXCELLENT unobstructed view to see the show.
- We also hope you will be able to join us for our next event, a **Casino Night on January 14, 2023!**

We remain committed to providing scholarships to qualifying students, supporting the Boys and Girls Clubs, providing materials for the Teen Academy and Citizens Academy classes and growing our NEW Schools program.

All of this happens through the work of the FBI Sacramento Citizens Academy Alumni Association, a self-supporting, all volunteer 501(c)(3) nonprofit organization formed and managed by Citizen Academy alumni. The board is honored to serve our membership and we need your help to continue by paying your membership dues and attending our fundraising events!

As always, we encourage more involvement on our board from the alumni group. If you are passionate about the FBI Citizens Academy and our mission, please reach out to info@fbisaccaa.org.

We thank you and appreciate your consideration and continued support of the FBI Sacramento Citizens Academy Alumni Association.

Sincerely,

Isla Waite
