Beyond membership fees, we welcome additional contributions to support our initiatives. Donations can be made via the website or by including them in the Membership Contribution form along with your membership dues or as a separate contribution.

FBI Sacramento Citizens Academy Alumni Association boasting over 800 graduates from Sacramento, Bakersfield, Chico and Fresno FBI Citizens Academy classes has remained actively engaged in 2023 through various events in coordination with the FBI's Community Outreach Specialist, Shelby Samaniego such as:

- Quarterly Briefings – in person!
- Top Golf Member Event
- VIP passes to California Capital Airshow
- Cyber Series presentations
- Washington DC/Quantico/FBI Experience
- Our quarterly newsletters with articles on community events and the involvement of the FBISACCAAA

We remain committed to providing scholarships to qualifying students pursuing a career in law enforcement or as a first responder, supporting the Boys and Girls Clubs, and providing materials for the Teen Academy and Citizens Academy classes. This is all made possible by FBI Sacramento Citizens Academy Alumni Association, a self-supporting, all volunteer 501(c)(3) nonprofit organization formed and managed by Citizens Academy alumni.

Your contribution matters, and we urge you to pay your membership dues and attend our fundraising events to help us continue this important work. We also invite passionate alumni interested in board involvement to reach out to info@fbisacaaa.org.

Thank you for your consideration and unwavering support of the FBI Sacramento Citizens Academy Alumni Association. Your commitment strengthens the bonds of our alumni community.

Sincerely,

Isla Waite
